Tuesday 1<sup>st</sup> November 2022

Dear parents/carers,

We are continuing to follow the Relationship Education programme for Catholic primary schools, titled **Life to the Full**. You may have heard your child coming home talking about this and we want to give you an overview of this programme.

As you may be aware, Relationship Education became statutory for all primary schools from September 2020. The **Life to the Full** programme is based on 'A Model Catholic RSE Curriculum' by the Catholic Education Service which was highlighted as a work of good practice by the Department for Education. There has been positive feedback from this programme since we have been following it and we continue to have confidence that the programme is fit for purpose in supporting the growth and development of the children.

**Life to the Full** is much more than a series of lessons. It is an entire platform of creative resources that will engage, inform and inspire our children. This includes interactive video content, story-based activities, employing a wide range of teaching tools, original worship music and an accompanying programme of classroom prayers.

In addition there is an online parent platform so that you, as parent and carers, can engage with the teaching and deepen the experience for your child. To access the online parent platform please visit: **[www.tentenresources.co.uk/parent-portal](http://www.tentenresources.co.uk/parent-portal)**

Life to the Full is intended to be a partnership between home, school and church. We know that you already do a fantastic job and we see the Life to the Full programme as a means to further develop, support and enrich the partnership between home, school and church so that your child is fully supported.

We are delighted to welcome you to an information morning regarding this on **Wednesday 9<sup>th</sup> November 2022 at 9:15am in the main school hall**. This will be an opportunity to hear more information about the structure and content of the programme and when specific areas will be taught. We will then have an updated consultation window which will run from **Monday 14<sup>th</sup> – Friday 25<sup>th</sup> November 2022**. Information about the link for consultation will follow after the information morning.

Kind regards,

Jade Cahill
