

Kensuke Character Sketch

L.O. To create a character sketch using evidence from a story.

‘He was diminutive, no taller than me, and as old a man as I had ever seen. He wore nothing but a pair of tattered breeches bunched at the waist, and there was a large knife in his belt. He was thin, too. In places- under his arms, round his neck and his midriff- his copper brown skin lay in folds about him, almost as if he’d shrunk inside it. What little hair he had on his head and his chin was long and wispy and white. (Ch.5)
