

**Personal, Social, Health and Economic Education (PSHRE), Spiritual, Moral, Social and Cultural Development (SMSC), Relationships, Sex and Health Education (RSHE) and British Values (BV)**

**Curriculum Map 2021-2022**

PSHRE is taught in a discreet manner where appropriate (for example some elements of RSHE) and in a cross curricular manner where meaningful links can be made. We believe that to help children become caring and responsible citizens in today's world, our PSHRE curriculum should permeate through school life, be reflected in our ethos and day to day running of school and help children to build their cultural capital as much as possible along the way. As of September 2020 Health and Relationship education is compulsory and this is reflected in our newly taught RSHE curriculum; Ten Ten. Our broad curriculum ensures we equip pupils with a sound understanding of risk and with the knowledge and skills necessary to make safe and informed decisions whilst being active and caring citizens in our ever-changing world.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
