

Write a summary of chapters 1 and 2.

You should must read the first two chapters of Charlotte's web. I would recommend that you read it twice for this activity. I want you to think about what the key parts of the story are so far. A summary is just explaining the main parts of the story, so you don't need to describe every detail. You should be able to summarise both chapters in two paragraphs. You must think about:

- Capitals/ Full-stops/ commas.
- Include key parts of story.
- Use time connectives to link your sentences.

Challenge

1. Can you summarise both chapters in 2 sentences?
2. Can you summarise both chapters in 10 words 😊
