

Look around you and use the photo cards to help you fill in the table below with uses for the different materials. A few have been done for you to help get you started. Remember, some uses may come under more than one material, for example rulers can be made from plastic, wood or metal.

Wood	Plastic	Glass	Metal
ruler	ruler		ruler
Rock	Brick	Paper	Cardboard
		Book	

Which material did you find the most uses for? \_\_\_\_\_

Which material did you find the least uses for? \_\_\_\_\_
