The RIED theme for this year is 'In the image and likeness of God'. As a school, we have looked at images of the Holy Family around the world. Each class created artwork reflecting different images of the Holy Family from around the world. Some children also wrote prayers in their own language. Can you recognise the language you speak?

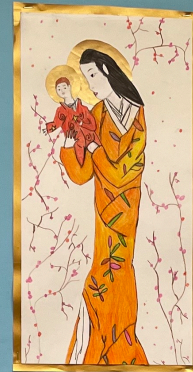

O God,
You created all people in your image. We thank you for the astonishing variety of races and cultures in this world. Enrich our lives by ever-widening circles of friendship, and show us your presence in those who differ most from us until our knowledge of your love is made in our love for all your children; through your son, Jesus Christ our Lord.

The children were invited to write prayers in their own language to add to the display.

The children were very enthusiastic about making the display and it promoted good discussions around the different images of the Holy Family.

They have been proudly pointing out their year group's work as they pass.
