

Week beginning 8th February 2021

This week we celebrate Chinese New Year. I have planned a few activities on it (Understanding the World / Expressive Art & Design).

Phonics: This week we are not going to introduce any new sound but we are going to focus on blending and segmenting using the sounds we already know. We will introduce two new tricky words though and these are **me** and **be**.

Maths: This week the focus will be on comparing height/ length, learning the days of the week and start measuring time. Please watch the video of the day first and then complete the task. You will find all the videos at the link below but I will also upload them daily on GC.
